

Cold Bottle of Water

The **Cold Bottle of Water** initiative is a refreshing and meaningful way to engage both youth and adults in community outreach as part of the Touch 10k movement. This project involves placing encouraging Bible verses—such as “*But whoever drinks the water I give them will never thirst*” (John 4:14)—on cold bottles of water.

On a designated Sabbath afternoon, youth groups and entire congregations come together to label the bottles in a fun, interactive setting that fosters fellowship and service-minded excitement. Once labeled, each participant is given a minimum of five bottles to distribute throughout the local community. The goal is to create personal, positive connections by offering a cool drink and a warm word of encouragement.

These small, Spirit-led gestures become seeds of hope, reminding individuals that God sees, cares, and provides. It’s not just about handing out water—it’s about offering Living Water through love in action.
